STATE OF CALIFORNIA
DEPARTMENT OF PARKS AND RECREATION
CONCESSION CONTRACT

For
CHANNEL COAST CAMP STORES

Located In
EL CAPITAN STATE BEACH, REFUGIO STATE BEACH,
AND GAVIOTA STATE PARK
SANTA BARBARA COUNTY

THIS CONTRACT is made and entered into by and between the STATE OF CALIFORNIA, acting through its Department of Parks and **Concessionnaire** of City, State, hereinafter referred to as "Concessionaire";

RECITALS

WHEREAS, California Public Resources Code Section 5080.03 et seq. authorizes the Department of Parks and Recreation to enter into concession contracts for the operation of state park system lands and facilities and;

WHEREAS, it is appropriate that the following contract be entered into for the safety and convenience of the general public in the use and enjoyment of, and the overall enhancement of recreational and educational experience at units of the state park system;

**NOW, THEREFORE, IT IS MUTUALLY AGREED BY AND BETWEEN
THE PARTIES AS FOLLOWS:**

1. DESCRIPTION OF PREMISES

The State for and in consideration of the agreements hereinafter stated, grants to Concessionaire for the purposes stated herein, the right, privilege, and duty to develop, equip, operate, and maintain a nonexclusive concession in El Capital State Beach, Refugio State Beach, and Gaviota State Park at the location(s) as set forth in **Exhibit "A"**, attached to and made a part of this contract (the "Premises".)

The possessory interest herein given to the Concessionaire does not exclude the general public from the Premises; however, the use by the general public is limited by the terms and conditions of the possessory interest given herein. This contract is not intended to confer third party beneficiary status to any member of the public who is benefited by the terms of this contract. The possessory interest is further subject to all valid and existing contracts, leases, licenses, encumbrances, and claims of title that may affect the Premises.

2. CONDITION OF PREMISES

The taking of possession of the Premises by the Concessionaire, in itself, shall constitute acknowledgment that the Premises are in good and sufficient condition for the purposes for which Concessionaire is entering into this contract. Concessionaire agrees to accept Premises in their presently existing condition, "AS IS", and that the State shall not be obligated to make any alterations, additions, or betterments to the Premises except as otherwise provided for in this contract.

3. TERM

The term of this contract shall be for a period of ten (10) years, commencing on the first day of the month following approval by State and/or the Office of the Attorney General and/or Department of General Services, as shown below. Should Concessionaire hold-over after the expiration of the term of this contract with the express or implied consent of the State, such holding-over shall be deemed to be a tenancy from month-to-month at the herein stated prescribed rent as set forth in this contract, with continuous Consumer Price Index adjustment, as defined below, subject otherwise to all the terms and conditions of this contract.

For purposes of this contract, the term "contract year" shall mean each one-year period of time that commences on the commencement date identified above, extending twelve (12) months therefrom, and continuing from each anniversary throughout the term of the contract.

4. **RENT**

Concessionaire shall pay, without offset, deduction, prior notice, or demand, as "Minimum Annual Rent" the sum of forty thousand dollars (\$40,000) [*or as bid*] or twelve percent (12%) [*or as bid*] of gross receipts, whichever sum is greater.

Beginning with Contract Year Six (6) and on the first day of every fifth contract year thereafter, the Minimum Annual Rent shall be adjusted to reflect changes in the Consumer Price Index (CPI). Such CPI adjustments shall be made in accordance with the procedure set forth in **Exhibit "B"**, attached to and made a part of this contract.

Concessionaire shall make payment of Minimum Annual Rent and other payments to State in lawful money of the United States. However, if any payment made by a check, draft, or money order is returned to State due to insufficient funds or otherwise, State shall have the right, at any time after the return, upon written notice to Concessionaire, to require Concessionaire to make all subsequent payments in cash or by cashier's or certified check.

Beginning with the fifteenth (15th) day of the month following the opening of the concession for business, and on or before the fifteenth (15th) day of each month thereafter, Concessionaire shall furnish to State a verified statement of the concession's gross receipts for the preceding month. Such statement shall be in a format provided by State and shall specify the current period and cumulative total of gross receipts for the concession through the end of the preceding month for the then current contract year. Concurrent with such monthly statement, the Concessionaire shall pay to State the appropriate rental fee for the preceding calendar month as prescribed above. Payments to State shall be made to the order of the Department of Parks and Recreation and delivered to the District Office identified herein below or at such other location as may from time to time be designated by State. If, at the end of the contract year, the total of monthly percentage rental payments made (or due) during that

contract year is less than the Minimum Annual Rent required for that contract year, the difference shall be remitted to State with the last monthly sales statement for the contract year. Payments must be received by State on or before the fifteenth (15th) day of the month as described above. Any late payment shall constitute a breach of contract, giving rise to State's remedies as set forth below. Further, any late payment will be subject to a late penalty consisting of an administrative charge on the late amount, calculated at the rate of five percent (5%) of the amount of the late payment or portion thereof. The parties agree that the late charge represents a fair and reasonable estimate of the costs State will incur because of late payment. Acceptance of the late charge by State shall not constitute a waiver of Concessionaire's default for the overdue amount, nor prevent State from exercising the other rights and remedies granted under this contract. Concessionaire shall pay the late charge as additional rent with the next monthly rent payment.

_____ **[Initials of concessionaire(s)]**

Any amount due to State, if not paid within five (5) days following the due date, will bear interest from the due date until paid at the rate of ten percent (10%) per year or, if a higher rate is legally permissible, at the highest rate legally permitted. However, interest shall not be payable on late charges incurred by Concessionaire, nor on any amounts on which late charges are paid by Concessionaire, to the extent this interest would cause the total interest to be in excess of that legally permitted. Payment of interest shall not excuse or cure any default by Concessionaire.

Upon written request by the Concessionaire to State demonstrating unusual or extenuating circumstances causing the late payment, the State, in its sole discretion, may waive the late charge. Further, in the event Concessionaire is prevented from carrying on the operations contemplated herein by reason of an Act of Nature or other reasons beyond Concessionaire's control, and when requested in writing in advance by Concessionaire, Minimum Rent may be abated in proportion to the amount by which gross receipts are reduced by the occurrence for such period of reduced or non-operation, as determined in the sole discretion of State.

If this contract is terminated by State because of Concessionaire's default, and if Concessionaire becomes liable for any deficiency in rent and/or fees by way of

damages or otherwise, or if at any time during the contract term Concessionaire ceases to conduct in the Premises the business referred to herein below, then from and after the time of the breach causing this termination, or from and after the time of the cessation of business, all unpaid rent and/or fees prior to the breach causing termination or cessation of business shall become due and payable. The amount due shall be deemed to be the greater of: (a) the Minimum Rent provided herein, or an amount based upon the average of the payments that have accrued to State as percentage rent during the twenty-four (24) months preceding the termination or cessation of business, unless the termination or cessation occurs within three (3) years of the beginning of the contract term, in which event the previous twelve (12) or fewer, if applicable), months shall be used as the basis of this average.

5. **USE OF PREMISES**

A. The Use of Premises shall be consistent with the State approved "Operation Plan", "Facility Plan" and "Interpretive Plan" as proposed by Concessionaire and modified by State as is reasonable and necessary to meet the intention of the State for this concession operation and the mission of the Department. The "Operation Plan", "Facility Plan" and "Interpretive Plan" are incorporated herein and made part of this contract as **Exhibit C, D and E** respectively.

B. The Premises shall be used by Concessionaire for the operation and maintenance of a camp store at each park, offering sale of food and beverages, including bottled water, and camping and recreational equipment for sale and rent. The District Superintendent or designee may prohibit the sale of any item.

C. Concessionaire shall provide a temporary /mobile facility satisfactory to State and fully compliant with the requirements of the Americans with Disabilities Act, to serve as the camp store at Refugio SB. The facility may include a kitchen or other food preparation space and shall be installed and maintained at the Concessionaire's sole cost and expense. At the termination of this contract, the facility shall be removed and the site restored to its original condition at the Concessionaire's sole cost and expense.

D. Hours of Operation: Concession services shall be provided at all three (3) locations as follows:

1) Daily from June 15 through September 15, between the hours of 8:00 a.m. and 7:00 p.m.

2) Weekends from March 1 through June 14 and September 16 through November 30, between the hours of 8:00 a.m. and 4:00 p.m.

3) Daily during holiday periods, including Thanksgiving, Christmas, and Spring Break, between the hours of 8:00 a.m. and 4:00 p.m.

Notwithstanding the foregoing, the concession may remain closed on Thanksgiving and December 25th. Spring Break shall be defined as the one week prior to Easter Sunday through one week after Easter Sunday. Thanksgiving holiday period shall be defined as the weekend preceding Thanksgiving Day through the weekend following Thanksgiving Day. Christmas holiday period shall be defined as the Saturday before December 25th through the Sunday after January 1st.

4) In the event State deems the hours of operation inadequate for proper service to the public, State may require Concessionaire to adjust the days and/or hours of operation to a schedule provided by State. Concessionaire may remain open on other dates, observing same (or longer) hours, at Concessionaire's discretion with the concurrence of State. In the event of adverse weather or other operating conditions, State may permit the concession to close at any time during the term of this contract. This request for closure shall be made in writing by Concessionaire and said facility shall not be closed until Concessionaire has received written approval by District Superintendent.

E. Food Service: Food service may be provided upon approval by the District Superintendent or designee and in accordance with all applicable County and State health and safety laws and regulations.

F. Healthy Foods Initiative: As the primary food providers in California State Parks, participation by concessionaires in the State's efforts to promote health and sustainable food practices is critical. To that end and in accordance with

State's mission to "provide for the health" of Californians, Concessionaire shall promote the importance of healthy, locally and sustainably grown, organic foods from California, and shall use sustainable practices, organic ingredients, and recycled products whenever possible. These practices shall include the following:

1) Concessionaire shall offer a selection of food and beverage items that conform to the definition of "healthy" foods as defined by the U.S. Department of Agriculture and the Food and Drug Administration in the Code of Federal Regulations, Title 9, Section 317 and Title 21, Sections 101.

2) Concessionaire shall offer a selection of beverages with no sugar added, such as bottled water, natural fruit juices, and tomato juice.

3) To the extent possible, Concessionaire shall develop a network of local farmers and ranchers who are dedicated to sustainable agriculture and can assure a steady supply of pure and fresh ingredients from California.

G. Concessionaire shall not use or permit the Premises to be used in whole or in part during the term of this contract for any purpose other than as herein set forth, without the prior written consent of the State.

6. **BONDS**

A. All bonds required under this contract must be in a form satisfactory to State, issued by a corporate surety licensed to transact surety business in the State of California.

B. **Performance Bond:** Concessionaire, at Concessionaire's own cost and expense, agrees to obtain and deliver to State, prior to the commencement date of this contract and prior to entering the Premises, and shall maintain in force throughout the term of this contract, a valid Performance Bond (which may be renewed annually) in the sum equal to one year's current annual rent payable to the State. This bond shall insure faithful performance by Concessionaire of all the covenants, terms, and conditions of this contract inclusive of, but not

restricted to, the payment of all rentals, fees, and charges and prompt performance of and/or payment for all maintenance obligations. In lieu of a bond, the Concessionaire may substitute another financial instrument (such as an Irrevocable Standby Letter of Credit), which must be sufficiently secure and acceptable to State. At least thirty (30) days prior to the expiration or termination of said bond or acceptable financial instrument, a signed endorsement or certificate showing that said bond or financial instrument has been renewed or extended shall be filed with the State. Within 15 days of State's request, Concessionaire shall furnish State with a signed and complete copy of the valid bond or financial instrument.

Beginning with Contract Year Six (6), and on the first day of every fifth contract year thereafter, the required bond amount shall be adjusted to reflect changes in the Consumer Price Index (CPI). Such CPI adjustments shall be made in accordance with the procedure set forth in **Exhibit "B"**.

C. Construction Payment Bond: Prior to the commencement of construction required hereunder, Concessionaire shall furnish the State with a bond, listing Concessionaire's contractor(s) as principals, in a sum not less than **thirty percent (30%)** of the total cost of the construction. The bond shall guarantee payment by Concessionaire of all materials, provisions, provender, supplies, and equipment used in, upon, for, or about the performance of said construction, and protect the State from any liability, losses, or damages arising there from. In no event shall Concessionaire allow the imposition of a mechanics' lien or other lien on the concession property and at its sole expense shall take all steps to remove such liens or the threat of such liens.

D. Construction Performance Bond: Prior to the commencement of construction required hereunder, Concessionaire shall furnish the State with a bond, listing Concessionaire's contractor(s) as principals, in a sum not less than **one hundred percent (100%)** of the total cost of the construction. The bond shall guarantee faithful performance of the construction by Concessionaire.

E. Concessionaire acknowledges that allowing the Performance Bond or other security instrument(s) to expire or otherwise terminate and/or allowing the

total secured amount to fall below the security required herein will cause State to incur costs and significant risks not contemplated by this contract, the exact amount of which will be difficult to ascertain. These costs include, but are not limited to, administrative costs and other expenses necessary to ensure continued performance of services for the public and protection of the Premises. Accordingly, if Concessionaire allows the Performance Bond or other security instrument to expire or otherwise terminate and/or allows the total secured amount to fall below the security required pursuant to this contract, Concessionaire shall pay to State an amount equal to five percent (5%) of the required security or five thousand dollars (\$5,000), whichever is greater. The parties agree that this charge represents a fair and reasonable estimate of the costs State will incur. Acceptance of this charge by State shall not constitute a waiver of Concessionaire's default, nor prevent State from exercising the other rights and remedies available to it under this contract or applicable law, including the right to terminate this contract and seek the payment of damages.

_____ **[Initials of concessionaire(s)]**

7. INSURANCE

A. Concessionaire shall provide before entering the Premises and shall maintain in force throughout the term of this contract the following insurance:

1) Liability Insurance:

- Commercial General Liability
- Products Liability
- Liquor Liability (where the sale of alcohol is permitted)
- Automobile Liability (for all owned, non-owned, and hired vehicles used by Concessionaire in the conduct of business under this contract)

Each policy of liability insurance described above shall be in an amount of not less than one million dollars (\$1,000,000) per occurrence for bodily injury and property damages combined.

- 2) Workers' Compensation Insurance: A program of workers' compensation insurance in an amount and form to meet all applicable

requirements of the Labor Code of the State of California. Such insurance shall include employer's liability coverage of one million dollars (\$1,000,000) and shall specifically cover all persons providing services by or on behalf of the Concessionaire and shall cover all risks to such persons under this contract.

3) Fire Insurance: Fire insurance with extended coverage endorsements thereon on all improvements located on the Premises, whether furnished by State or constructed upon the Premises by Concessionaire, in an amount equal to the full replacement cost and/or value thereof. This policy shall contain a replacement cost endorsement naming the Concessionaire as the insured provided that if there is a lender on the security of the improvements so insured, the proceeds of any such policy or policies may be made payable to such lender.

B. In the event of destruction, loss, or damage by fire or other cause of any of the State-owned buildings, improvements, or fixtures located on the Premises that the State determines (1) to be essential to the continued operation of the contract and (2) cannot be repaired within one-hundred-eighty (180) days of the occurrence, the State may terminate this contract. A decision by the State to terminate the contract under this provision shall be communicated in writing to Concessionaire as soon as practicable. If the contract is so terminated, State shall be entitled to the proceeds payable under any applicable insurance policies pertaining to the loss as its interest may appear. Receipt of such proceeds by State shall be in addition to the right of State to pursue whatever other remedies it may have to recover any losses due to the occurrence. If the State determines not to terminate the contract, then, in State's discretion, any buildings, improvements, or fixtures built in replacement of any damaged or destroyed property shall be subject to the terms and provisions of this contract as if they had existed at the onset. In no event shall the provisions of this paragraph be deemed or construed to relieve Concessionaire from the requirement to repair or replace any damaged or destroyed property except as specifically excepted by express terms of this contract.

C. Each policy of liability insurance shall contain additional named insured endorsements in the name of the State of California, through its Department of Parks and Recreation, as to all insurable interests of the State including, but not limited to, the premises and all contents as follows:

- 1) State of California, its officers, employees, and servants are included as additional insured but only insofar as operations and facilities under this contract are concerned;
- 2) The insurer will not cancel or reduce the insured's coverage without thirty (30) days prior written notice to State.

D. No cancellation provision in any insurance policy shall diminish the responsibility of Concessionaire to furnish continuous insurance throughout the term of this contract. Each policy shall be underwritten to the satisfaction of the State. A signed certificate of insurance with each endorsement required shall be submitted to State at the time this contract is executed, showing that the required insurance has been obtained. Further, at least thirty (30) days prior to the expiration of any such policy, Concessionaire shall submit to State a signed and complete certificate of insurance with all endorsements required by this paragraph, showing to the satisfaction of State that such insurance coverage has been renewed or extended. Within fifteen (15) days of State's request, Concessionaire shall furnish State with a signed and complete copy of the required policy.

8. ALCOHOLIC BEVERAGES

- A. Concessionaire may sell beer and wine for on-premises consumption at the dining facilities at Refugio State Beach and El Capitan State Beach.
- B. Concessionaire may sell beer and wine for off-premises consumption at the camp stores at Refugio State Beach, El Capitan State Beach, and Gaviota State Park.
- C. The sale of distilled spirits at any of these facilities is strictly prohibited.

- E. It shall be the sole responsibility of Concessionaire to obtain and maintain any and all local, state, and/or federal required licensing/permitting for the sale of beer and wine.

- G. A competent adult person twenty-one (21) years of age or over shall be on the Premises at all times to supervise the sale of alcoholic beverages.
- H. To protect the health and safety of park visitors and to preserve the peace within a park unit, the District Superintendent may require the Concessionaire to temporarily discontinue the sale of alcoholic beverages.
- I. Advertising the sale of alcoholic beverages by any means shall not be permitted either on the exterior or the interior of the concession facilities.

9. CONSTRUCTION AND COMPLETION OF IMPROVEMENTS

- A. At Concessionaire's sole cost and expense, Concessionaire shall be responsible for the design, construction, completion, and installation of facility improvements, décor, equipment, fixtures, and furnishings as approved in writing by the District Superintendent or designee. Construction and completion of improvements will proceed as follows:
 - 1) Schematic Design: Concessionaire shall provide to State for its review and approval a Schematic Design. A copy of the Schematic Design shall be submitted to the State Park Accessibility Section for review. Approval shall be granted at the sole discretion of State. The objective of the Schematic Design is to clearly define the authorized improvements and should include a site plan, building floor plans, all building elevations, outline specification, floor area usage, and Preliminary Statement of Probable Construction Cost. If the State disapproves any element of the Schematic Design, Concessionaire shall promptly submit to State all necessary modifications and revisions.

2) Design Development: Concessionaire shall submit the Design Development for State's review and approval. The objective of the Design Development is to define and describe all the important aspects of the authorized Improvements and should include the necessary details of each element of the Schematic Design to adequately convey key conditions of major improvements. In addition, the Design Development should include Reflected Ceiling Plans, Schedules, Structural Requirements, Plumbing, Mechanical, and Electrical Plans, Food Service Requirements, Color Boards, Material and Systems Specifications, and an updated Preliminary Statement of Probable Construction Cost. If the State disapproves any element of the Design Development, Concessionaire shall promptly submit necessary modifications and revisions.

3) Working Drawings: Concessionaire shall submit Working Drawings for State's review and approval. The objective of the Working Drawings is to set forth in detail the requirements for construction of the Authorized Improvements including bidding and contracting. At a minimum, the drawings should include all Design Development elements plus: complete documentation of quantities, qualities, and relationships of all work required to construct the authorized Improvements; documentation of decisions made in the Design Development phase; all documentation needed for obtaining regulatory and State approvals; and the final Statement of Probable Construction Cost. If the State disapproves any drawings, plans or specifications, Concessionaire shall promptly submit necessary modifications and revisions. No changes or alterations shall be made to the approved Working Drawings without prior written approval of State.

B. Use of Consultants: Concessionaire shall employ licensed contractor(s) in the completion of all required construction work. Additionally, Concessionaire shall utilize professional contractors and consultants, including architects(s) and engineer(s), acting in accordance with the latest American Institute of Architects'

standards of practice to develop comprehensive construction plans, including schematic design plans, design development plans, and working drawings, and to conduct independent inspections and monitoring of all construction.

Concessionaire agrees to select contractors and consultants who are fully licensed to practice in the State of California and are acceptable to the State. However, in no event shall State be deemed to have control of or be responsible for Concessionaire's final hiring decisions, the day-to-day management of the project, or administration of contracts with contractors or consultants. Contracts between Concessionaire and any contractor or consultant must be approved in writing by State in advance of execution by Concessionaire.

C. State Approval/Acceptance of Plans and Work: State's approval of the work and plans shall be for the purpose of determining that such work conforms in scope and quality to State's policies and standards, and in no way shall relieve Concessionaire or its contractors or subcontractors of the responsibility to perform and complete the work (1) in accordance with generally accepted industry standards, (2) faithfully adhering to the approved plans, specifications, and drawings, and (3) in accordance with all applicable codes, laws, regulations, or other requirements, including but not limited to, the standards contained in this contract.

D. Permits: At its sole cost and expense, including mitigation costs, Concessionaire shall obtain all permits, licenses, and other approvals necessary for the construction and completion of the authorized Improvements. Such permits may include, but are not limited to, those required under the California Environmental Quality Act (CEQA), Public Resources Code 5024, County Fire Department, California Coastal Act, California Building Code, and State Fire Marshal. Plans and specifications shall be submitted to State Park Accessibility Concessionaire shall reimburse State for all costs incurred by State on behalf of Concessionaire in association with acquisition of said permits. State will produce records of such costs for review by Concessionaire on a monthly basis. The State shall cooperate with Concessionaire with respect to securing said permits including the execution of documents required by a governmental authority to be

initiated by State. In the event Concessionaire, having exercised all due diligence in applying for and seeking all approvals, cannot secure all required permits within two (2) years from Concessionaire's taking possession of the premises, the State shall have the option to terminate this contract.

E. Alterations: It is the intent of this contract and the contracting parties that the concession facilities contemplated herein shall not only be constructed in accordance with the requirements herein, but in coordination with State's development of the unit. The State, in its discretion after consultation with Concessionaire, may alter the authorized Improvements and Working Drawings, and/or the construction timeline to agree with its schedule of development for the unit. Any changes to the timeline shall not be earlier than the dates set forth in the Working Drawings, as approved by State, except with concurrence of Concessionaire.

F. Completion of Improvements: Upon State approval of the Working Drawings and receipt of all required permits, licenses, and other approvals, Concessionaire shall commence construction to the facility as described herein, and prosecute the same to completion with all due diligence. Such time shall be extended as reasonably necessary in the event of delays caused by fire, earthquakes, wars, strikes, adverse weather, or other calamity beyond Concessionaire's control. Concessionaire shall hold monthly or more frequent status meetings throughout the period of construction, which shall include representatives of the general contractor, appropriate subcontractors, a representative of Concessionaire, and a representative of the State.

Upon completion of construction, Concessionaire shall (1) file a Notice of Completion of Construction with State; (2) provide State with a complete set of "as-built" plans for all improvements in a format acceptable to State; (3) submit evidence that all improvements are clear of any mechanic's liens; (4) have work certified by a licensed architect or engineer to be in compliance with the Working Drawings as approved by State and all applicable building or other laws, codes, or regulations; and (5) submit an account of the cost for all facility improvements,

excluding equipment and trade fixtures that are the personal property of Concessionaire.

The cost accounting as required by item (5) above shall include cost statements and substantiating invoices for all project expenses including labor and materials. After such accounting has been examined by State, State in its sole discretion will establish in a reasonable and fair manner the cost of facilities and improvements for the purposes of evaluating Concessionaire's compliance with the facility development expenditure requirements of this contract. In the event such accounting is not filed by Concessionaire at the time specified, State shall estimate the cost of the project and serve notice of same on Concessionaire in the manner provided herein.

Concessionaire will submit to State, no later than May 1st of each year during the term of this contract, a verified profit and loss statement for the previous calendar year. Such statement shall be submitted on Form DPR 86, "Concessionaire's Financial Statement", attached hereto as **Exhibit "E"**, or in a format previously approved by the State, and shall contain an appropriate certification that all gross receipts during the yearly accounting period covered by said statement shall have been duly and properly reported to the State. Within forty-five (45) days of the expiration or termination of this contract, Concessionaire shall submit to the State a profit and loss statement for the period of operation not previously reported prepared in the manner stated above.

Concessionaire shall obtain and install cash registers or other accounting equipment acceptable to the State, through which Concessionaire shall record all gross

receipts from the operation of the concession. This equipment shall be non-resettable and shall supply an accurate recording of all sales on tape and produce a receipt for each transaction. All such equipment shall have a customer display that is visible to the public. Concessionaire shall make all cash register tapes available to the State upon State's request. Concessionaire shall provide a cash register receipt to each customer setting forth the full amount of a sale.

12. GROSS RECEIPTS

The term "gross receipts", wherever used in this contract, is intended to and shall mean all moneys, property, or any other thing of value received by Concessionaire and any sub-concessionaire or operator, if other than Concessionaire, through or in connection with the operation of the concession, including any concession related business carried on through the internet or catalog sales, or from any other business carried on or in connection with the Premises, or from any other use of the Premises, and/or of any business of any kind that uses the names licensed by this contract, or that associates with or implies an endorsement by State, all without deduction. The term "gross receipts" shall not include any sales taxes imposed by any governmental entity and collected by Concessionaire.

13. RATES, CHARGES AND QUALITY OF GOODS AND SERVICES

Concessionaire shall staff, operate, manage, and provide all goods, services, and facilities offered in a first-class manner and comparable to other high quality concessions providing similar facilities and services. State reserves the right to prohibit or modify the sale or rental of any item, accommodation, or service for public safety and/or to ensure that the public receives, in the State's view, fair pricing, proper service, and appropriate quality. State reserves the right to prohibit the sale or use of non-recyclable containers or plastics. A competent person shall be on the premises at all times while the concession is in operation. If the on-site manager is other than the Concessionaire, State reserves the right to approve such manager.

14. PERFORMANCE EVALUATIONS AND INSPECTION

As part of its administration of this contract, State will conduct periodic inspections of concession facilities, equipment, services, and programs and prepare written performance evaluations based upon its observations. A "Concessionaire Performance Rating" (DPR Form 531) attached hereto as **Exhibit "F"**, or other similar format(s) as may be adopted by the State will be utilized for evaluation purposes. State further reserves the right of ingress and egress without notice to inspect concession operations for the purposes of evaluating Concessionaire's performance of the terms and conditions of this contract; to inspect, investigate, and/or survey the Premises; and to do any work thereon of any nature necessary for preservation, maintenance, and operation of the State Park System. Concessionaire agrees to cooperate with State in all respects related to the implementation of State's Concession Performance Evaluation program and with State's activities on the Premises. State shall not be liable in any manner for any inconvenience, disturbance, loss of business, nuisance, or other damage arising out of State's entry in the Premises as provided herein, except damage resulting from the active negligence or willful misconduct of State or its authorized representatives.

15. HOLD HARMLESS AGREEMENT

Concessionaire hereby waives all claims and recourse against the State, including the right to contribution for loss or damage to persons or property arising from, growing out of, or in any way connected with or incident to this contract, except claims arising from, and to the extent of, the sole gross negligence or willful misconduct of the State, its officers, agents, or employees. Concessionaire shall protect, indemnify, hold harmless, and defend State, its officers, agents, and employees against any and all claims, demands, damages, costs, expenses, attorneys fees, expert costs and fees, or liability costs arising out of the development, construction, operation, or maintenance of the Premises property described herein and compliance with all laws, including but not limited to the Americans With Disabilities Act of 1990 as provided for herein, except for liability arising out of, and to the extent of, the sole gross negligence or willful

misconduct of State, its officers, agents, or employees or other wrongful acts for which the State is found liable by a court of competent jurisdiction.

16. TAXES

A. By signing this contract, Concessionaire acknowledges that occupancy interest and rights to do business on state property being offered Concessionaire by this agreement may create a possessory interest as that term is defined in Revenue and Taxation Code Section 107.6, which possessory interest may subject Concessionaire to liability for the payment of property taxes levied on such possessory interest.

B. Concessionaire agrees to pay all lawful taxes, assessments, or charges that at any time may be levied by the State, County, City, or any tax or assessment levying body upon any interest in or created by this contract, or any possessory right that Concessionaire may have in or to the premises covered hereby, or the improvements thereon by reason of Concessionaire's use or occupancy thereof or otherwise, as well as all taxes, assessments, and charges on goods, merchandise, fixtures, appliances, equipment, and property owned by Concessionaire in or about the Premises.

17. MODIFICATIONS, ADDITIONS, TITLE TO IMPROVEMENTS

In the event that Concessionaire desires to make modifications, improvements, or additions to the Premises or any part of the Premises, including changes to structural design, required accessibility barrier removal work, landscape design, or interior or exterior fixtures, design, and/or furnishings, (collectively "Alteration(s)"), the approval in writing of State shall be obtained prior to the commencement of any Alterations. State shall dictate the plan approval process.

Once any Alteration has been approved by State and the work has begun, Concessionaire shall, with reasonable diligence, prosecute to completion all approved Alterations. All work shall be performed in a good and workmanlike manner, shall substantially comply with plans and specifications submitted to State as required herein, and shall comply with all applicable governmental permits, laws, ordinances, and

regulations. It shall be the responsibility of Concessionaire, at its own cost and expense, to obtain all licenses, permits, and other approvals necessary for the construction of approved Alterations.

Title to all Alterations and improvements existing or hereafter erected on the Premises, regardless of who constructs such improvements, shall immediately become State's property and, at the end of the Term, shall remain on the Premises without compensation to Concessionaire. Concessionaire agrees never to assail, contest, or resist title to the Alterations and improvements. The foregoing notwithstanding, State may elect, by notice to Concessionaire, that Concessionaire must remove any Alterations that are peculiar to Concessionaire's use of the Premises and are not normally required or used by State and/or future occupants of the Premises. In this event, Concessionaire shall bear the cost of restoring the Premises to its condition prior to the installment of the Alterations.

18. PERSONAL PROPERTY

Except to the extent covered by **Paragraph 19**, MODIFICATIONS, ADDITIONS, TITLE TO IMPROVEMENTS, title to all personal property provided by Concessionaire shall remain in Concessionaire. Concessionaire shall not attach any personal property to any building without first obtaining State's written approval. Unless approved in writing by State, all property attached to real property will be considered a real property improvement and shall become property of State at the time this contract is terminated.

19. HOUSEKEEPING, MAINTENANCE, REPAIR AND REMOVAL

During the term of this contract at Concessionaire's own cost and expense, Concessionaire shall maintain and operate the Premises and areas in, on, or adjacent to a distance of not less than fifty (50) feet, including personal property and equipment, in a clean, safe, wholesome, and sanitary condition free of trash, garbage, or obstructions of any kind. Concessionaire shall remedy without delay any defective, dangerous, or unsanitary conditions.

A. Housekeeping: Housekeeping activities are defined as all those activities concerned with keeping facilities clean, neat, and orderly, and includes, but is not

limited to, mowing, raking, sweeping, vacuuming, mopping, stripping, waxing, dusting, wiping, washing, hosing, and other general care or cleaning of interior and exterior floors, walls, ceilings, doors, windows, facility fixtures, and all adjacent grounds and walks. Concession housekeeping shall conform to California State Park standards.

B. Maintenance and Repairs: Concessionaire shall maintain all concession facilities and personal property and equipment on the Premises in good condition and repair at Concessionaire's sole cost and expense at all times during the term of this contract. Such maintenance shall conform to State Park standards. For the purposes of this contract, the term "maintenance" is defined as all repair and preservation work necessary to maintain concession facilities and personal property and equipment in a good state of repair, as well as to preserve them for their intended purpose for an optimum useful life.

Pest inspections shall be performed regularly. Concessionaire will remedy all pest infestations in a timely manner. Concessionaire shall provide to State copies of all pest inspection reports or other professional assessments of the condition of the facilities.

Should Concessionaire fail, neglect, or refuse to undertake and complete any required maintenance, State shall have the right to perform such maintenance or repairs for Concessionaire. In this event, Concessionaire shall promptly reimburse State for the cost thereof provided that State shall first give Concessionaire ten (10) days written notice of its intention to perform such maintenance or repairs. State shall not be obligated to make any repairs to or maintain any improvements on the Premises. Concessionaire hereby expressly waives the right to make repairs at the expense of State and the benefit of the provisions of Sections 1941 and 1942 of the Civil Code of the State of California relating thereto if any there be. State has made no representations respecting the condition of the Premises, except as specifically set forth in this contract.

C. Removal and Restoration. At the expiration or sooner termination of this contract, Concessionaire at its own expense shall remove all personal property brought onto the Premises by Concessionaire. Concessionaire, at

Concessionaire's expense, shall restore and repair the Premises, and any of Concessionaire's improvements or fixtures remaining thereon, to a good, clean, safe, and fit condition, reasonable wear and tear excepted, and shall completely remedy all injuries to the Premises.

20. UTILITIES AND SERVICES

Concessionaire shall be responsible for all costs associated with the installation and provision of all utilities necessary to and used in connection with the Premises, including but not limited to sewage disposal. When installing facilities, no trees shall be trimmed or cut without permission of State. Removal and disposal of all rubbish, refuse, and garbage resulting from concession's operations shall be the Concessionaire's responsibility and shall be disposed of outside the park unit and in accordance with applicable laws and local ordinances. All trash containers and/or trash bins shall be adequately screened to the satisfaction of State.

21. RESOURCE CONSERVATION

A. Environmental Conservation Program: Concessionaire shall set a positive example in waste management and environmental awareness that shall lead to preservation of the resources of the State. Accordingly, Concessionaire shall prepare and execute a program, subject to the prior written approval of the State, designed to reduce environmental impacts that result from concession operations. This program shall address, but not be limited to: solid waste management, including reduction, reuse and recycling; water and energy conservation, pest management, grease removal and disposal, hazardous materials handling and storage, and air quality. Specifically, the program must include the following:

- 1) Recycling and Beverage Container Programs: The Concessionaire shall implement a source reduction and recycling program designed to minimize concession and patron use of disposable products, per Public Contract Codes Sections 12161 and 12200 et seq. Reusable and recyclable products are preferred over "throwaways". Where disposable

products are needed, products that have the least impact on the environment will be selected. No Styrofoam containers or other non-biodegradable containers are to be used or sold by Concessionaire. The use of "post-consumer" recycled products is encouraged wherever possible.

The Concessionaire shall participate fully in the California beverage container redemption/recycling program. Products to be recycled include, but are not limited to, paper, newsprint, cardboard, bimetal, plastics, aluminum and glass. At the start of each contract year, Concessionaire and State shall review items sold, and containers or utensils used or dispensed by Concessionaire, and, whenever possible, eliminate the use of non-returnable or non-recyclable containers or plastics.

2) Water and Energy Conservation: The Concessionaire shall implement water and energy conservation measures. As new technologies are developed, Concessionaire shall explore the possibility of integrating them into existing operations where there is potential for increased efficiency, reduced water or energy consumption, and/or reduced impacts on the environment.

3) Erosion Control/Water Quality/Environmental Sensitivity: The Concessionaire shall comply with all requirements set forth by various oversight agencies that have jurisdiction and oversight authority relating to the Premises and surrounding properties, including, but not limited to, erosion control, water quality and environmental sensitivity standards.

B. Concessionaire shall comply with State's resource management and preservation mandates in the conduct of all activities that impact cultural, natural, or scenic resources. These mandates include the Public Resources Code Sections 5024 and 5097 et seq. the Department's Resource Management Directives and the Secretary of the Interior's Guidelines for Historic Preservation.

22. HAZARDOUS SUBSTANCES

A. Use of Premises: On the Premises, Concessionaire shall not:

- 1) Keep, store, or sell any goods, merchandise, or materials that are in any way explosive or hazardous;
- 2) Carry-on any offensive or dangerous trade, business, or occupation;
- 3) Use or operate any machinery or apparatus that shall injure the premises or adjacent buildings in any way; or
- 4) Do anything other than is provided for in this contract.
- 5) Nothing in this paragraph shall preclude Concessionaire from bringing, keeping, or using on or about said premises such materials, supplies, equipment, and machinery as is appropriate or customary in carrying-on Concessionaire's business.
- 6) Gasoline, oil, and other materials considered under law or otherwise to be hazardous to public health and safety shall be stored, handled, and dispensed as required by present or future regulations and laws.

B. Storage of Hazardous Materials: Concessionaire shall comply with all applicable laws and best practices pertaining to the use, storage, transportation, and disposal of hazardous substances. Concessionaire shall protect, indemnify, defend, and hold harmless the State or any of its affiliates, successors, principals, employees, or agents against any liability, cost, or expense, including attorney's fees and court costs, arising from illegal use, storage, transportation, or disposal of any hazardous substance, including any petroleum derivative, by Concessionaire. Where Concessionaire is found to be in breach of this provision due to the issuance of a government order directing Concessionaire to cease and desist any illegal action in connection with a hazardous substance, or to remediate a contaminated condition directly caused by Concessionaire or any person acting under Concessionaire's direct control or authority, Concessionaire shall be responsible for all cost and expense of complying with such order, including any and all expenses imposed on or incurred by the State in connection

with or in response to such government order. Notwithstanding the foregoing, in the event a government order is issued naming Concessionaire, or Concessionaire incurs any liability during or after the term of the contract in connection with contamination that preexisted the Concessionaire's obligations and occupancy under this contract or prior contracts, or that were not directly caused by Concessionaire, the State shall be solely responsible as between Concessionaire and the State for all expenses and efforts in connection therewith, and State shall reimburse Concessionaire for all reasonable expenses actually incurred by Concessionaire therewith.

C. Certification: Upon termination of this contract, when requested by State, Concessionaire shall provide certification prepared by a Certified Industrial Hygienist that there is no hazardous waste contamination and/or damage to the Premises.

D. Pest Control Activities: All pest control activities, chemical and non-chemical, shall be approved by the State prior to action by the Concessionaire. Concessionaire, or the pest control business acting on behalf of Concessionaire, shall submit a DPR 191, "Pest Control Recommendation" (or equivalent) to the State for approval. The State has fourteen (14) days to approve or deny the request. Such approval shall be solely for compliance with State's policies and in no way shall relieve Concessionaire or its contractors, employees, agents or representatives from compliance with all laws and regulations concerning such activities and from carrying out the work in a workmanlike manner.

Concessionaire, or the pest control business acting on behalf of Concessionaire, shall submit a report of completed work for each pest management action to the State no later than seven (7) days after performance of the work. The report may be submitted on a DPR 191, "Pest Control Recommendation" (or equivalent information).

23. EQUIPMENT

Concessionaire, at Concessionaire's own expense, shall completely equip the concession improvements described herein and shall keep the same equipped in a safe and first-class manner throughout the term of this contract.

24. SIGNS AND ADVERTISING

No signs, logos, names, placards, or advertising matter shall be inscribed, painted, or affixed upon Premises, circulated, or published without prior written consent of the State and only consistent with the purposes of the contract. All signage shall conform to the department's accessibility standards.

25. PHOTOGRAPHY

State may grant permits to persons or corporations engaged in the production of still and motion pictures and related activities for the use of the Premises for such purposes when such permission shall not interfere with the primary business of Concessionaire. Such permits shall not be deemed to be a competitive activity with regard to Concessionaire's rights to possession and operation under this contract.

26. INTELLECTUAL PROPERTY RIGHTS

Any names, logos, and/or trademarks developed during and/or pursuant to this contract that will in any way associate with, identify, or implicate an affiliation with California State Parks shall be approved by State, but, whether or not so approved, shall be deemed to have been developed pursuant to this Agreement and licensed hereunder to Concessionaire for the term of this Agreement only; shall belong to State upon creation; and shall continue in State's exclusive ownership upon termination of this Agreement, and all goodwill and other rights in said marks shall inure to the benefit of the State as the mark owner. Further, any original works of authorship in which copyright resides, and any other proprietary rights, including without limitation trade secrets and know-how, which are developed during and/or pursuant to this contract, shall be deemed to be works made for hire in consideration of Concessionaire's rights and benefits hereunder, or alternatively Concessionaire agrees to assign such

copyrights to the State, and shall be owned by the State; shall belong to State upon creation; and shall continue in State's exclusive ownership upon termination of this Agreement.

27. PARTICIPATION IN STATE PARK MARKETING PROGRAMS

Concessionaire acknowledges that the State has an established advertising and marketing program designed to promote additional revenue for the State and to deliver a consistent and positive image to the public, and Concessionaire agrees to participate in this program in the manner described below without compensation from the State for such cooperation.

A. Concessionaire agrees to honor all statewide graphic standards, licensing, and merchandising agreements entered into with corporate sponsors of the Department of Parks and Recreation.

B. Concessionaire agrees to place on the Premises any advertising that the State approves under this program. Any advertising approved by the State under this program will be placed at State's expense.

Concessionaire agrees to rent or sell, along with all other items of merchandise that are part of the Concessionaire's normal and customary inventory, any item of merchandise that the State approves under this program, provided that Concessionaire is authorized to sell or rent it under the terms of the contract, and the Concessionaire receives reasonable compensation for its sale.

28. DEFAULT BY CONCESSIONAIRE

A. Defaults: The occurrence of any one of the following shall constitute a default and breach of this contract by Concessionaire:

- 1) Failure to Pay Rent: Any failure of Concessionaire to timely pay any rent due or any other monetary sums required to be paid hereunder where such failure continues for a period of ten (10) consecutive days after such sums are due.
- 2) Absence from Premises: Any complete absence by Concessionaire or its agents and employees from the Premises for thirty (30) consecutive

days or longer. The Premises shall be deemed abandoned after State has followed the procedures set forth in Civil Code Section 1951.3.

3) Nuisance: Should Concessionaire create or allow to be created a nuisance on the Premises, State may declare an immediate event of default and enter upon and take possession and/or demand an assignment of the right to operate the Premises without notice to Concessionaire. Concessionaire shall immediately vacate the Premises and remove all personal property within thirty (30) days after State's declaration of default.

4) Failure to Observe Other Provisions: Any failure by Concessionaire to observe or perform another provision of this contract where such failure continues for twenty (20) consecutive days after written notice thereof by State to Concessionaire; this notice shall be deemed to be the notice required under California Code of Civil Procedure Section 1161. However, if the nature of Concessionaire's default is such that it cannot reasonably be cured within the twenty (20) day period, Concessionaire shall not be deemed to be in default if it is determined at the sole discretion of State that Concessionaire has commenced such cure within the twenty (20) day period and thereafter continues to diligently prosecute such cure to completion to the satisfaction of State.

5) Involuntary Assignments, Bankruptcy: State and Concessionaire agree that neither this contract nor any interest of Concessionaire hereunder in the Premises shall be subject to involuntary assignment or transfer by operation of law in any manner whatsoever, including, without limitation, the following: (a) transfer by testacy or intestacy; (b) assignments or arrangements for the benefit of creditors; (c) levy of a writ of attachment or execution on this contract; (d) the appointment of a receiver with the authority to take possession of the Premises in any proceeding or action in which Concessionaire is a party; or (e) the filing by or against Concessionaire of a petition to have Concessionaire adjudged a bankrupt, or of a petition for reorganization or arrangement under any law

relating to bankruptcy. Any such involuntary assignment or transfer by operation of law shall constitute a default by Concessionaire and State shall have the right to elect to take immediate possession of the Premises, to terminate this contract and/or invoke other appropriate remedies as set forth below, in which case this contract shall not be treated as an asset of Concessionaire.

B. Notices of Default: Notices of default shall specify the alleged default and the applicable contract provision and shall demand that Concessionaire perform the provisions of this contract within the applicable time period or quit the Premises. No such notice shall be deemed a forfeiture or a termination of this contract unless State specifically so states in the notice.

29. **STATE'S REMEDIES**

In the event of default by Concessionaire, State shall have the following remedies. These remedies are not exclusive; they are cumulative and are in addition to any other right or remedy of State at law or in equity.

A. Collection of Rent: In any case where State has a cause of action for damages, State shall have the privilege of splitting the cause to permit the institution of a separate suit for rent due hereunder, and neither institution of any suit, nor the subsequent entry of judgment shall bar State from bringing another suit for rent; it being the purpose of this provision to provide that the forbearance on the part of State in any suit or entry of judgment for any part of the rent reserved under this contract, to sue for, or to include in, any suit and judgment the rent then due, shall not serve as defense against, nor prejudice a subsequent action for, rent or other obligations due under the contract. The claims for rent may be regarded by State, if it so elects, as separate claims capable of being assigned separately.

B. Maintain Contract in Effect: The State has the remedy described in California Civil Code 1951.4 (lessor may continue lease in effect after lessee's breach or abandonment and recover rent as it becomes due, if lessee has right to sublet or assign, subject only to reasonable limitations). The following do not

constitute a termination of the Concessionaire's right to possession: (1) Acts of maintenance or preservation or efforts to relet the Premises; (2) The appointment of a receiver upon initiative of the State to protect State's interests under the Contract; (3) Withholding consent to a subletting or assignment so long as such consent is not unreasonably withheld.

C. Continued Performance: At State's option, Concessionaire shall continue with its responsibilities under this contract during any dispute.

D. Termination of Concessionaire's Right to Possession: Upon an event of default, State may terminate Concessionaire's right to possession of the Premises at any time by written notice to Concessionaire. In the absence of such written notice from State, no act by State, including, but not limited to, acts of maintenance, efforts to relet and/or assign rights to possession of the Premises, or the appointment of a receiver on State's initiative to protect State's interest under this contract shall constitute an acceptance of Concessionaire's surrender of the Premises, or constitute a termination of this contract or of Concessionaire's right to possession of the Premises. Upon such termination, State has the right to recover from Concessionaire:

- 1) the worth, at the time of the award, of the unpaid rent that had been earned at the time of termination of this contract;
- 2) the worth, at the time of the award, of the amount by which the unpaid rent that would have been earned after the date of termination of this contract until the time of the award exceeds the amount of loss of rent that Concessionaire proves could have reasonably been avoided;
- 3) the worth, at the time of the award, of the amount by which the unpaid rent for the balance of the term after the time of the award exceeds the amount of the loss of rent that Concessionaire proves could have been reasonably avoided; and
- 4) any other amount necessary to compensate State for all the detriment proximately caused by Concessionaire's failure to perform its obligations under this contract, which, without limiting the generality of the foregoing, includes any cost and expenses incurred by the State in

recovering possession of the Premises, in maintaining or preserving the Premises after such default, in preparing the Premises for a new concessionaire, in making any repairs or alterations to the Premises necessary for a new concessionaire, in making any repairs or alterations to the Premises, and costs of clearing State's title of any interest of Concessionaire, commissions, attorneys' fees, architects' fees, and any other costs necessary or appropriate to make the Premises operational by a new concessionaire.

"The worth, at the time of the award," as used herein above shall be computed by allowing interest at the lesser of a rate of ten percent (10%) per annum or the maximum legal rate.

E. Assignment at State's Direction: In the event of a default by Concessionaire, when cure is not received and acknowledged by State after having provided notice of the breach as provided herein above, Concessionaire shall, in addition to the damages provided for herein, be obligated to assign all rights to occupy, possess, and operate on and in the Premises to State's designee within thirty (30) days of receipt of written demand by State. Concessionaire shall further remove itself and its personal property from the Premises within the same time frame. Concessionaire agrees to execute all documents necessary to effectuate and implement this provision. Upon such assignment, all rights of Concessionaire under the contract shall transfer to the assignee.

Any designated assignee, as provided for herein, shall take and operate the concession under the same terms and conditions as those set forth herein, except for requirements that have already been performed and are no longer applicable. However, Concessionaire shall not be relieved of obligations incurred. An assignment of the contract pursuant to the terms hereof shall not cause the contract to terminate and shall not work a merger.

F. Receiver: If Concessionaire is in default of this contract, State shall have the right to have a receiver appointed to collect rent and conduct Concessionaire's business or to avail itself of any other pre-judgment remedy.

Neither the filing of a petition for the appointment of a receiver nor the appointment itself shall constitute an election by State to terminate this contract.

G. Right to Cure Concessionaire's Default: At any time after Concessionaire commits a default, State can cure the default at Concessionaire's cost. If State, at any time by reason of Concessionaire's default, pays any sum or does any act that requires the payment of any sum, the sum paid by State shall be due immediately from Concessionaire to State, and if paid at a later date shall bear interest at the rate of ten percent (10%) per annum from the date the sum is paid by State until State is reimbursed by Concessionaire. Any such sum shall be due as additional rent.

H. Personal Property of Concessionaire: In the event any personal property or trade fixtures of Concessionaire remain at the Premises after State has regained possession or after an assignment is accomplished, that property or those fixtures shall be dealt with in accordance with the provisions for Surrender of the Premises provided below.

1) State's Obligations After Default: State shall be under no obligation to observe or perform any covenant of this contract on its part to be observed or performed that accrues after the date of any default by Concessionaire. Such nonperformance by State shall not constitute a termination of Concessionaire's right to possession nor a constructive eviction.

2) No Right of Redemption: Concessionaire hereby waives its rights under California Code of Civil Procedure Sections 1174 and 1179 or any present or future law that allows Concessionaire any right of redemption or relief from forfeiture in the event State takes possession of the Premises by reason of any default by Concessionaire.

3) Other Relief: All monetary obligations of the Concessionaire of any kind shall be considered rent. State shall have such rights and remedies for failure to pay such monetary obligations as State would have if Concessionaire failed to pay rent due. The remedies provided in this

contract are in addition to any other remedies available to State at law, in equity, by statute, or otherwise.

4) No Buy-out: In accordance with Public Resources Code Section 5080.18 (h), where the contract has been terminated due to a breach on the part of the Concessionaire under any terms of this contract the State shall not be obligated to purchase any improvements made by Concessionaire or to pay the Concessionaire for said improvements before or after taking possession of the Premises.

30. DEFAULT BY STATE

State shall not be in default of the performance of any obligation required of it under this contract unless and until it has failed to perform such obligation for more than thirty (30) days after written notice by Concessionaire to State specifying the alleged default and the applicable contract provision giving rise to the obligation. However, if the nature of State's obligation is such that more than thirty (30) days is required for its performance, then State shall not be deemed in default if it shall commence performance within such 30-day period and thereafter diligently prosecute the same to completion.

31. SURRENDER OF THE PREMISES; HOLDING OVER

A. Surrender: On expiration or within thirty (30) days after earlier termination of the contract, Concessionaire shall surrender the Premises to State with all fixtures, improvements, and alterations in good condition, except for fixtures, improvements, and alterations that Concessionaire is obligated to remove. Concessionaire shall remove all of its personal property and shall perform all restoration required by the terms of this contract within the above stated time unless otherwise agreed to in writing.

1) Personal Property: All of Concessionaire's personal property remaining on the Premises beyond such time specified in Paragraph 3, shall be dealt with in accordance with California Code of Civil Procedure Section 1174 and California Civil Code Sections 1980, or such other laws

as may be enacted regarding the disposition of Concessionaires' property remaining at the Premises. Concessionaire waives all claims against State for any damage to Concessionaire resulting from State's retention or disposition of Concessionaire's personal property. Concessionaire shall be liable to State for State's costs in storing, removing, and disposing of Concessionaire's personal property or trade fixtures.

2) Failure to Surrender. If Concessionaire fails to surrender the Premises to State on the expiration, assignment, or within thirty (30) days after earlier termination of the term as required by this Section, Concessionaire shall hold State harmless for all damages resulting from Concessionaire's failure to surrender the Premises.

B. Holding Over: After the expiration or earlier termination of the term and if Concessionaire remains in possession of the Premises with State's express consent, such possession by Concessionaire shall be deemed to be a temporary tenancy terminable on thirty (30) days written notice given at any time by either party. During such temporary tenancy, the minimum annual rent shall be increased by 10% over the annual rent of the last year prior to the expiration or earlier termination of the contract, subject to the CPI adjustments required herein, unless otherwise agreed to in writing by State. Concessionaire shall pay such rent and all other sums required to be paid hereunder monthly on or before the fifteenth day of each month. All other provisions of this contract except those pertaining to the term shall apply to the month-to-month tenancy.

32. NO RECORDATION; QUITCLAIM

A. No Recordation: This contract shall not be recorded.

B. Quitclaim: Concessionaire shall execute and deliver to State on the expiration or termination of this contract immediately on State's request, a quitclaim deed to the Premises and the rights arising hereunder, in recordable form or such other document as may be necessary, to remove any claim of interest of Concessionaire in and to all property belonging to the State. Should Concessionaire fail or refuse to deliver to State a quitclaim deed or other

documents as aforesaid, a written notice by State reciting the failure of the Concessionaire to execute and deliver said quitclaim deed as herein provided, shall after ten (10) days from the date of recordation of said notice be conclusive evidence against the Concessionaire and all persons claiming under Concessionaire of the termination of this contract.

33. ATTORNEYS FEES

Concessionaire shall reimburse the State on demand for all reasonable attorney fees (including attorneys fees incurred in any bankruptcy or administrative proceeding or in any appeal) and expenses incurred by State as a result of a breach or default under this contract. If Concessionaire becomes the prevailing party in any legal action brought by State, Concessionaire shall be entitled to recover reasonable attorney fees and expenses incurred by Concessionaire and need not reimburse the State for any attorney fees and expenses incurred by the State.

34. COMPLIANCE WITH LAWS, RULES, REGULATIONS AND POLICIES

Concessionaire shall comply with all applicable laws, rules, regulations, and orders existing during the term of this contract, including obtaining and maintaining all necessary permits and licenses. Concessionaire acknowledges and warrants that it is or will make itself through its responsible concession managers, knowledgeable of all pertinent laws, rules, ordinances, regulations, or other requirements having the force of law affecting the operation of the concession facilities, including but not limited to laws affecting health and safety, hazardous materials, pest control activities, historic preservation, environmental impacts, and State building codes and regulations.

35. NONDISCRIMINATION

During the performance of this contract, Concessionaire and its employees shall not unlawfully discriminate, harass, or allow harassment against any employee, applicant for employment, or any member of the public because of sex, sexual orientation, race, color, religious creed, marital status, need for family and medical care leave, ancestry, national origin, medical condition (cancer/genetic characteristics), age

(40 and above), disability (mental and physical) including HIV and AIDS, need for pregnancy disability leave, or need for reasonable accommodation. Concessionaire shall ensure that the evaluation and treatment of their employees and applicants for employment are free from such discrimination and harassment.

Further, as part of compliance with the foregoing, Concessionaire and Concessionaire's employees shall not discriminate by refusing to furnish any person any accommodation, facility, service, or privilege offered to or enjoyed by the general public. Nor shall Concessionaire or Concessionaire's employees publicize the accommodation, facilities, services, or privileges in any manner that would directly or inferentially reflect upon or question the acceptability of the patronage of any such person.

Concessionaire shall comply with the provisions of the Fair Employment and Housing Act (Gov. Code, §12900 et seq.) and the applicable regulations promulgated thereunder (Cal. Code Regs, Title 2, §7285.0 et seq.). The applicable regulations of the Fair Employment and Housing Commission implementing Government Code, §12990 (a)-(f), are incorporated into this contract by reference and made a part hereof as if set forth in full (Cal. Code Regs, Title 2, §7285.0 et seq.). Concessionaire shall give written notice of their obligations under this clause to labor organizations with which they have a collective bargaining or other agreement. Concessionaire shall include the non-discrimination and compliance provisions of this clause in all contracts to perform work under and/or in connection with this contract.

In the event of violation of this paragraph, the State will have the right to terminate this contract, and any loss of revenue sustained by the State by reason thereof shall be borne and paid for by the Concessionaire.

36. DISABILITIES ACCESS LAWS

Without limiting Concessionaire's responsibility under this contract for compliance with all laws, with regard to all operations and activities that are the responsibility of Concessionaire under this contract, Concessionaire shall be solely responsible for complying with the requirements of the Americans With Disabilities Act of 1990 ("ADA") [Public Law 101-336, commencing at Section 12101 of Title 42, United States Code

(and including Titles I, II, and III of that law)], the Rehabilitation Act of 1973, and all related regulations, guidelines, and amendments to both laws.

With regard to facilities for which Concessionaire is responsible for operation, maintenance, construction, restoration, or renovation under this contract, Concessionaire also shall be responsible for compliance with Government Code Section 4450, et seq., Access to Public Buildings by Physically Handicapped Persons, and Government Code Section 7250, et seq., Facilities for Handicapped Persons, and any other applicable laws. Written approval from State is required prior to implementation of any plans to comply with accessibility requirements.

37. DRUG-FREE WORKPLACE

Concessionaire agrees to comply with Government Code Section 8355 in matters relating to the provision of a drug-free workplace. This compliance is evidenced by the executed Standard Form 21 entitled "Drug-Free Workplace Certification", attached hereto as Exhibit H and made a part of the contract.

38. UNION ORGANIZING

Concessionaire shall not use the Premises to hold a meeting with any employee(s) or supervisor(s) if the purpose of the meeting is to assist, promote, or deter union organizing. This provision does not apply if the Premises are equally available, without charge, to the general public for holding a meeting. Breach of this provision shall subject Concessionaire to civil penalties and damages pursuant to California Government Code §§ 16645.5 and 16645.8.

39. NATIONAL LABOR RELATIONS BOARD CERTIFICATION

The Concessionaire, by signing this contract, does hereby swear, under penalty of perjury, that no more than one final, unappealable finding of contempt of court by a Federal Court has been issued against Concessionaire within the two-year period immediately preceding the date of this contract because of Concessionaire's failure to comply with a Federal Court order that Concessionaire shall comply with an order of the National Labor Relations Board.

40. CHILD SUPPORT COMPLIANCE ACT

In the event the annual gross income generated as a result of this contract shall exceed One Hundred Thousand Dollars (\$100,000.00), Concessionaire acknowledges that:

- A. Concessionaire recognizes the importance of child and family support relating to child and family support enforcement, including, but not limited to, disclosure of information and compliance with earnings assignment orders, as obligations and shall fully comply with all applicable state and federal laws provided in Chapter 8 (commencing with section 5200) of Part 5 of Division 9 of the Family Code; and
- B. Concessionaire, to the best of its knowledge, is fully complying with the earnings assignment orders of all employees and is providing the names of all new employees to the New Hire Registry maintained by the California Employment Development Department.

41. EMPLOYEE TRAINING

All concession employees shall receive training to include an orientation on the State Park System, and local points of interest, provided by Concessionaire. Such orientation shall be sufficient to permit concession employees to reply adequately to inquiries from the visiting public. Training also shall include job or task-specific training necessary to ensure high-quality job performance in a manner consistent with the protection of the State Park System and its visitors. Concessionaire's Employee Training/Orientation Program is subject to approval by the State.

42. CONFLICT OF INTEREST

Concessionaire warrants and covenants that no official, employee in the state civil service, other appointed state official, or any person associated with same by blood, adoption, marriage, cohabitation, and/or business relationship: (a) has been employed or retained to solicit or aid in the procuring of this contract; (b) will be employed in the performance of this contract without the immediate divulgence of such

fact to State. In the event State determines that the employment of any such official, employee, associated person, or business entity is not compatible, Concessionaire shall terminate such employment immediately. For breaches or violation of this paragraph, State shall have the right both to annul this contract without liability and, in its discretion, recover from the Concessionaire the full amount of any compensation paid to such official, employee, or business entity.

43. WAIVER OF CLAIMS

Concessionaire hereby waives any claim against the State of California, its officers, agents, or employees for damage or loss caused by any suit or proceeding directly or indirectly attacking the validity of this contract or any part thereof, or by any judgment or award in any suit or proceeding declaring this contract null, void, or voidable, or delaying the same or any part thereof from being carried out.

44. WAIVER OF CONTRACT TERMS

Unless otherwise provided by this contract, no waiver by either party at any time of any of the terms, conditions, or covenants of this contract shall be deemed as a waiver at any time thereafter of the same or of any other term, condition, or covenant herein contained, nor of the strict and prompt performance thereof. No delay, failure, or omission of the State to re-enter the Premises or to exercise any right, power, privilege, or option arising from any breach, nor any subsequent acceptance of rent then or thereafter accrued shall impair any such right, power, privilege, or option or be construed as a waiver of such breach or a relinquishment of any right or acquiescence therein. No notice to the Concessionaire shall be required to restore or revive time as of the essence after the waiver by the State of any breach. No option, right, power, remedy, or privilege of the State shall be construed as being exhausted by the exercise thereof in one or more instances. The rights, powers, options, and remedies given to the State by this contract shall be deemed cumulative.

45. INTERPRETATION OF CONTRACT

This contract is made under and is subject to the laws of the State of California in all respects as to interpretation, construction, operation, effect, and performance.

46. DURATION OF PUBLIC FACILITIES

By entering into this contract, State makes no stipulation as to the type, size, location, or duration of public facilities to be maintained at this unit, or the continuation of State ownership thereof, nor does the State guarantee the accuracy of any financial or other factual representation that may be made regarding this concession.

47. TIME OF ESSENCE

Time shall be of the essence in the performance of this contract.

48. EMINENT DOMAIN

If, during the term of this contract, any property described herein or hereinafter added hereto is taken in eminent domain, the entire award shall be paid to State.

49. TEMPORARY TENANCY

This tenancy is of a temporary nature and the parties to this contract agree that no Relocation Payment or Relocation Advisory Assistance will be sought or provided in any form as a consequence of this tenancy.

50. AGREEMENT IN WRITING

This concession contract contains and embraces the entire agreement between the parties hereto and neither it, nor any part of it, may be changed, altered, modified, limited, or extended orally or by any agreement between the parties unless such agreement be expressed in writing, signed, and acknowledged by the State and the Concessionaire or their successors in interest.

51. PARAGRAPH TITLES

The paragraph titles in this contract are inserted only as a matter of convenience and for reference, and in no way define, limit, or describe the scope or intent of this contract, or in any way affect this contract.

52. CONTRACT IN COUNTERPARTS

This contract may be executed in counterparts, each of which shall be deemed an original.

53. INDEPENDENT CONTRACTOR

In the performance of this contract, Concessionaire and the agents and employees of Concessionaire shall act in an independent capacity and not as officers or employees or agents of the State.

54. ASSIGNMENTS AND SUBCONCESSIONS

No transfer, assignment, or corporate sale or merger by the Concessionaire that affects this contract or any part thereof or interest therein directly or indirectly, voluntarily or involuntarily, shall be made unless such transfer, assignment, or corporate merger or sale is first consented to in writing by State. Before State considers such assignment, evidence must be given to State that the proposed assignee qualifies as a "best responsible bidder" under the terms of Section 5080.05 of the Public Resources Code or "best responsible person or entity submitting a proposal" under the terms of Section 5080.23 of the Public Resources Code and the Bid Prospectus or Request for Proposals under which this contract was awarded and executed. Such written modifications or additions to this contract shall not be effective until signed and acknowledged by the State and Concessionaire and approved in writing by the Department of General Services and the Attorney General of the State of California. The State shall have the right to grant reasonable extensions of time to Concessionaire for any purpose or for the performance of any obligation of Concessionaire hereunder.

56. UNENFORCEABLE PROVISION

In the event that any provision of this contract is unenforceable or held to be unenforceable, then the parties agree that all other provisions of this contract have force and effect and shall not be effected thereby.

57. APPROVAL OF CONTRACT

This contract, amendments, modifications, or termination thereof shall not be effective until approved by State's relevant control agencies.

58. STATE'S DISTRICT SUPERINTENDENT

For the purposes of this contract, the "District Superintendent" is the State representative responsible for the Premises.
